Substantially concurrent with the end of the Evaluation Period or any earlier termination of this Agreement, Customer shall remove the Software (by permanently deleting the Software and all copies thereof) from Customer's premises, unless Camunda gives Customer written authorization before close of the Evaluation Period or any earlier termination to retain possession of the Software and copies for a longer time period.

Any and all provisions that, by their content, are intended to apply beyond the performance, non-renewal or termination of this Agreement, including all associated definitions and all accrued rights to payment (if any) will survive any termination hereunder (whether or not so expressly stated).

7. Relationship of the Parties

Nothing in this Agreement will be construed to create a partnership, joint venture or agency relationship between the Parties. The Parties agree that each is an independent contractor and neither Party will have the power to bind the other or to incur obligations on the other's behalf without such other Party's prior written consent. Nothing in this Agreement shall be construed as an obligation by either Party to enter into a contract, subcontract, or other business relationship with the other Party.
