

The Camunda License (the “**License**”) sets forth the terms and conditions under which Camunda Services GmbH (“**the Licensor**”) grants You a license solely to the source code in this repository (“**the Software**”).

## Acceptance

By Using the Software, You agree to all the terms and conditions below. If Your Use of the Software does not comply with the terms and conditions described in this License, You must purchase a commercial license from the Licensor, its affiliated entities, or authorized resellers, or You must refrain from Using the Software. If You receive the Software in original or modified form from a third party, the terms and conditions outlined in this License apply to Your Use of that Software. You should have received a copy of this License in this case.

## Copyright License

Subject to the terms and conditions of this License, the Licensor hereby grants You the non-exclusive, royalty-free, worldwide, non-sublicensable, non-transferable right to Use the Software in any way or manner that would otherwise infringe the Licensor’s copyright as long and insofar as You Use the Software only and limited to the Use in or for the purpose of Using the Software in Non-Production Environment.

Each time you distribute or make otherwise publicly available the Software or Derivative Works thereof, the recipient automatically receives a license from the original Licensor to the respective Software or Derivative Works thereof under the terms of this License.

## Conditions and Restrictions

All Use of the Software is explicitly made subject to the following conditions:

- You may not move, change, disable, or circumvent the license key functionality in the Software, and You may not remove or obscure any functionality in the Software that is protected by the license key.
- If You distribute or make available the Software or any modification or Derivative Works thereof (including compiled versions), You must conspicuously display and attach this License on each original or modified copy of the Software and enable the recipient to obtain the source code if You have distributed a compiled version.

## Patent License

Patent and trademark rights are not licensed under this Public License.

## No Liability

EXCEPT FOR DAMAGES CAUSED BY INTENT OR FRAUDULENTLY CONCEALED DEFECTS, AND EXCEPT FOR DAMAGES RESULTING FROM BREACH OF ANY WARRANTY OR GUARANTEE EXPRESSLY GIVEN BY LICENSOR IN THIS LICENCE, IN NO EVENT WILL LICENSOR BE LIABLE TO YOU ON ANY LEGAL THEORY FOR ANY DAMAGES ARISING OUT OF THIS LICENSE OR THE USE OF THE WORK. ANY MANDATORY STATUTORY LIABILITY UNDER APPLICABLE LAW REMAINS UNAFFECTED.

## No Warranty

EXCEPT AS EXPRESSLY STATED IN THIS LICENSE OR REQUIRED BY APPLICABLE LAW, THE WORKS ARE PROVIDED ON AN

"AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND INCLUDING WITHOUT LIMITATION, ANY WARRANTIES REGARDING THE CONTENTS, ACCURACY, OR FITNESS FOR A PARTICULAR PURPOSE.

## Definitions

You refer to the individual or entity agreeing to these terms.

Use means any action concerning the Software that, without permission, would make You liable for infringement under applicable copyright law. Use within the meaning of this License includes, but is not limited to, copying, distribution (with or without modification), making available to the public, and modifying the Software.

Non-Production Environment means a setting in which the Software is used for development, staging, testing, quality assurance, demonstration, or evaluation purposes, and not for any live or production systems.
