3.1 Definition

“**Confidential Information**” means any information disclosed by either Party (the “**Discloser**”) to the other Party (the “**Recipient**”), in any form or medium that the Discloser considers confidential, whether or not marked, designated or otherwise identified as “confidential”. Confidential Information will not, however, include any information which (a) was publicly known or made generally available in the public domain prior to the time of disclosure by the Discloser; (b) becomes publicly known and made generally available after disclosure by the Discloser to the Recipient through no action or inaction of the Recipient and/or without breach of a confidentiality obligation; (c) is already in the possession or comes into the possession of the Recipient where such possession is not the result of a breach of confidentiality, in each case, as shown by the Recipient’s files and records immediately prior to the time of disclosure; or (d) is independently developed by the Recipient without use of or reference to the Discloser’s Confidential Information, as shown by document and other competent evidence in the Recipient’s possession. Confidential Information may be disclosed to Recipient by the Discloser or Discloser’s Affiliates, advisors, and Representatives and also by the Reseller.

3.2 Non-Use and Non-Disclosure

Except to the extent authorized in writing by the Discloser (including in these Minimum Terms), the Recipient shall hold in confidence and not use or disclose any Confidential Information of the Discloser to any Third Party other than the Reseller, its Affiliates and Representatives, having a need to know, provided that the last (i) are bound by written confidentiality obligations at least as stringent as those found herein or by professional secrecy obligations, and (ii) are informed of, and restrict their use solely to the purpose of this Agreement. The Recipient shall refrain from exploiting or imitating Confidential Information outside the scope of its purpose in any manner whatsoever (in particular by means of Reverse Engineering) or having it exploited or imitated by third parties and, in particular, from applying for intellectual property rights – in particular trademarks, designs, patents or utility models – to the Confidential Information. Each party agrees that it shall take reasonable measures to protect the secrecy of and avoid disclosure and

unauthorized use of the Confidential Information of the other Party and to comply with the legal and contractual provisions on data protection when processing the Confidential Information. Without limiting the foregoing, each Party shall take at least those measures that it takes to protect its own confidential information and shall ensure that its employees who have access to Confidential Information of the other Party have signed a non-use and non-disclosure agreement in content similar to the provisions hereof, prior to any disclosure of Confidential Information to such employees.

If the Recipient or any of its Affiliates or Representatives is compelled by applicable law to disclose any Confidential Information then, to the extent permitted by applicable law, the Recipient shall: (i) promptly, and prior to such disclosure, notify the Discloser in writing of such requirement so that the Discloser can seek a protective order or other remedy or waive its rights under this Section; and (ii) provide reasonable assistance to the Discloser, at the Discloser's sole cost and expense, in opposing such disclosure or seeking a protective order or other limitations on disclosure. The Recipient shall furthermore indicate in the course of disclosure that, if this is the case, Trade Secrets are concerned and shall ensure that the provisions of Sections 16 et seq. of the German Trade Secrets Act are applied.

3.4 Return of Confidential Information

Upon expiration or termination of these Minimum Terms for any reason, the Recipient will return or destroy all copies of all Confidential Information of the Discloser in its possession or under its control upon request of the Discloser, provided that the Recipient shall not be required to return or destroy any Confidential Information if and to the extent that (i) it is required to retain such Confidential Information by law, regulation or court order, or (ii) such Confidential Information is automatically retained as part of a computer back-up, recovery or similar archival or disaster recovery system in accordance with internal record-keeping policies. Any Confidential Information which is not returned or destroyed remains subject to the confidentiality obligations of these Minimum Terms.

4. Data Protection

Both Parties will comply with the European data protection laws, including but not limited to the GDPR. Unless otherwise agreed to in writing and except for limited information required when setting up user or administrator accounts (e.g. name, email address), neither Party shall or is required to provide any other personal data of their employees or End-Customers that will be processed on behalf of the other Party which is or may be subject to regulation under national or international privacy rules and regulations. If Customer nevertheless transmits or shares or intends to transmit or share any other personal data of its employees or End-Customers, it shall notify Camunda in advance so that the Parties can incorporate a data processing agreement ("**DPA**") as an exhibit to these Minimum Terms based on <https://legal.camunda.com/dpa> or sign a separate DPA. In any event, Camunda will, taking into account the nature of the personal data and the risks involved in the processing of any such personal data, maintain reasonable and appropriate security measures, including technical and organizational safeguards designed to ensure the security and confidentiality of personal data.

Camunda shall have no obligation under the previous Section for: (i) any modification of the Software that is not performed by or on behalf of Camunda; (ii) the combination or use of the Software with any other products, services or equipment not provided by Camunda or part of the Software, where there would be no Infringement Claim but for such combination; (iii) Software not provided directly to Customer by Camunda; (iv) use of the applicable Software other than in accordance with the terms and conditions of these Minimum Terms; or (v) the failure of Customer to use, within thirty (30) days of Customer's receipt of notice from Camunda regarding the availability of a new Version and that such new Version addresses an infringement issue, an update of the Software that would have avoided the Infringement Claim without a material loss of functionality.

6.3 Conditions

Camunda's obligations pursuant to this Section are conditional upon Customer (i) notifying Camunda in writing of the claim promptly after its receipt of the claim, (ii) not acknowledging the alleged infringement of the intellectual property right even if the Customer discontinues use of the Software, (iii) allowing Camunda to assume sole control of the defense and any settlement negotiations related to the claim and (iv) cooperating with Camunda, at Camunda's expense, in the defense and any related settlement negotiations related to the claim.

6.4 Remedies

In the event that any software program included in the Software is held, or in Camunda's sole opinion may be held, to constitute an infringement, Camunda, at its option and expense, will either (i) modify or replace such program, or infringing part thereof, within a commercially reasonable timeframe to make it non-infringing provided there is no substantial loss of functionality, (ii) procure for Customer the right to continue using such program, or infringing part thereof, or (iii) accept return of the Software which includes such program and provide to the Customer a pro-rated refund of the prepaid and unused fees in relation to the applicable Subscription Term.

10.4 No Waiver

No failure or delay in exercising any right hereunder will operate as a waiver thereof, nor will any partial exercise of any right or power hereunder preclude further exercise.

10.5 Severability

If any provision of these Minimum Terms is invalid in law, this shall be without prejudice to the legal effectiveness of the other parts of these Minimum Terms. In lieu of the invalid provision, the Parties undertake to agree to a valid clause which reflects it as nearly as possible in business terms and best serves the purpose of these Minimum Terms. The same shall apply in the event of any omission from these Minimum Terms.

The Camunda entity bound by these Minimum Terms, the law governing these Minimum Terms and any non-contractual obligations, disputes or lawsuits arising out of or in connection with these Minimum Terms, and the courts that have jurisdiction over any such dispute or lawsuit, depend on where Customer is domiciled, as set forth below. Each party agrees to the applicable governing law below without regard to choice or conflicts of law rules, and to the exclusive jurisdiction of the applicable courts below and irrevocably waive any objection and defense which either may have to the bringing or maintenance of any such claim. Accordingly, any dispute, legal action or proceeding arising out of or relating to these Minimum Terms must be brought in the applicable courts below, and each party irrevocably waives all objections to any proceedings in such courts, whether on the grounds of venue or on the grounds that they have been brought in an inconvenient forum.

Two new Sections, Sections 10.10 (High Risk Activities) and 10.11 (U.S. Government), are added to the Minimum Terms:

"10.10 High Risk Activities

The Software is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, air traffic control, or direct life support machines, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Accordingly, Camunda specifically disclaims any express or implied warranty of fitness for High Risk Activities.

10.11 U.S. Government

The Software and the Documentation are "commercial items", as defined in 48 C.F.R. §2.101, consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.2702-4, as applicable. 11.2.1 Section 3.1 (Definition) is replaced as follows:

"3.1 Definition

"Confidential Information" means any information disclosed by either Party (the "Discloser") to the other Party (the "Recipient"), in any form or medium that the Discloser considers confidential, whether or not marked, designated or otherwise identified as "confidential". Confidential Information shall be deemed to include in particular: Trade Secrets, products, manufacturing processes, know-how, inventions, business relations, business strategies, business plans, financial planning, personnel matters, digitally embodied information (data), any documents and information of the Discloser which are subject to technical and organizational secrecy measures and which are marked as confidential or are to be considered confidential according to the nature of the information or the circumstances of the transmission. Without limiting the foregoing: (i) each Party's product road maps, product development plans,

pricing, business plans, customer lists, business and financial information shall be deemed to be such Party's Confidential Information, and (ii) each of the source code to the Software and the Documentation shall be deemed to be Camunda's Confidential Information. Confidential Information may be disclosed to Recipient by the Discloser or Discloser's Affiliates, advisors, and Representatives and also by the Reseller.

Without prejudice to any rights it may have under the German Trade Secret Act, the Discloser shall have all property rights, rights of use and exploitation rights with respect to the Confidential Information, unless otherwise provided in these Minimum Terms. The Recipient is aware that the Confidential Information described above has not previously been generally known or readily accessible, either in its entirety or in its details, and is therefore of commercial value and is protected by the Discloser through appropriate confidentiality measures. If a Confidential Information under this Section does not meet the requirements of a Trade Secret within the meaning of the German Trade Secret Act, such information shall nevertheless be subject to the obligations of this Section on Confidential Information. Confidential Information will not, however, include any information which (a) was publicly known or made generally available in the public domain prior to the time of disclosure by the Discloser; (b) becomes publicly known and made generally available after disclosure by the Discloser to the Recipient through no action or inaction of the Recipient and/or without breach of a confidentiality obligation; (c) is already in the possession or comes into the possession of the Recipient where such possession is not the result of a breach of confidentiality, in each case, as shown by the Recipient's files and records immediately prior to the time of disclosure; or (d) is independently developed by the Recipient without use of or reference to the Discloser's Confidential Information, as shown by document and other competent evidence in the Recipient's possession."

11.2.2 Section 8 (Liability) is replaced as follows:

"8. Liability

8.1 Limitation of Liability

8.1.1 In cases involving a simple negligent breach of Primary Obligations, Camunda's liability shall be limited to replacement of the foreseeable damage typically occurring. Primary Obligations are such basic duties which form the essence of the agreement, which were decisive for the conclusion of the agreement and on the performance of which the Parties may rely. Other than this, Camunda's liability for simple negligent breaches of accessory contractual obligations is excluded.

8.1.2 In no event will the total liability of either Party and its Affiliates in connection with the Minimum Terms exceed the greater of (i) the total amount of fees paid by the Customer for the services giving rise to liability during the twelve (12) months prior to the date of the event giving rise to liability, or (ii) €100,000.

The limitation of liability set out in Section 8.1 above shall not apply to: (i) indemnification obligations under Section 6 (Infringement) of these Minimum Terms, (ii) damages caused negligently or intentionally in connection with the death or injury of persons, (iii) intent or gross negligence, (iv) the infringement of the other Party's intellectual property rights, (v) payment obligations under these Minimum Terms or (vi) liability under the Product Liability Act.

8.3 Strict liability

A strict liability of Camunda in accordance with § 535a para. 1 of the German Civil Code (in German: Bürgerliches Gesetzbuch) is excluded.

8.4 Statute of limitations

All contractual and non-contractual claims for damages or wasted expenditures against Camunda are subject to a limitation period of one (1) year. The commencement of the limitation period is governed by § 199 (1) of the German Civil Code. The limitation period shall end no later than five (5) years after the claim arises. This does not apply to intent, gross negligence or personal injury under the Product Liability Act.

8.5 Applicability

The above limitations of liability apply equally to Affiliates and Representatives of Camunda."

11.3.1 Sections 8.1 (Excluded Damages) and 8.2 (Damages Cap) are deleted in their entirety and replaced with the following Sections:

Except for any liability under Section 3 (Confidential Information), under no circumstances shall either Party be liable to the other Party for any indirect damages arising from or related to these Minimum Terms, for any special or punitive damages, or for loss of profits, or costs of procurement of substitute goods or services arising from or related to these Minimum Terms.

In the event that the Customer suffers direct damages as a result of data loss, Camunda shall only be liable if the data was used or produced in the course of using the Software and if such damage could not have been avoided by making regular backups and implementing appropriate security and maintenance measures against foreseeable natural and IT risks.

Nothing in these Minimum Terms shall exclude or limit either Party's liability for death or personal injury caused by negligence of that Party, its officers, employees, contractors or agents, fraud or fraudulent misrepresentation, gross negligence, willful misconduct or any other warranties, conditions, obligations or duties for which the Parties cannot legally limit their liability under such mandatory law.

8.2 Damages Cap

Except for any liability arising from (i) a violation of either Party's Intellectual Property Rights under these Minimum Terms or (ii) Camunda's indemnification obligations, in no event shall either Party be liable to the other Party under any Order Form for an amount that exceeds, in the aggregate, the amounts paid or payable by Customer under the relevant Order Form during the 12 months preceding the date of claim.

In the case of Camunda's indemnification obligations, in no event shall Camunda be liable to Customer under any Order Form for an amount that exceeds, in the aggregate, two times (2x) the amounts paid or payable by Customer under the relevant Order Form during the 12 months preceding the date of claim."

"10.10 Service of Process

The Parties agree that in the event of a claim being commenced in relation to any non-contractual obligations, disputes or lawsuits arising out of or in connection with these Minimum Terms, a claim form and any other documents relating to such a claim will be served at the respective Parties' registered address even if such address is outside of England and Wales.

10.11 Rights of Third Parties

A person who is not a Party to these Minimum Terms has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of these Minimum Terms."

11.5 The Netherlands

10.11 Rights of Third Parties

A person who is not a Party to these Minimum Terms has no right to enforce or enjoy the benefit of any term of these Minimum Terms, except as otherwise stated in these Minimum Terms."

"10.10 High Risk Activities

The Software is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, air traffic control, or direct life support machines, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Accordingly, Camunda specifically disclaims any express or implied warranty of fitness for High Risk Activities.

10.11 Rights of Third Parties

A person who is not a Party to these Minimum Terms has no right under the Contracts (Rights of Third Parties) Act 2001 to enforce or enjoy the benefit of any term of these Minimum Terms."

Camunda publishes new Versions of the Software from time to time via the download page at its sole discretion. As soon as Camunda provides a new Version, the Documentation shall also be adapted accordingly and Camunda will inform the Trained Support Contacts.

2. If an Error occurs, a Trained Support Contact shall immediately inform Camunda via the agreed upon reporting method (as set forth in Section 5 of this Schedule).
3. The Error must be reproducible by Camunda without using a special, adapted or extended Version of the Software. If necessary, Customer agrees to assist Camunda in automatically reproducing the Error, including for example via a unit test. Should such an automatic reproduction be impossible, Error shall be described as precisely as possible.
4. If an Error is reported, Customer shall: (A) provide Camunda with the information requested to eliminate the problem and support Camunda in eliminating the Error; and (B) inform Camunda of any modifications to the Software it has made or any other issues that may impact the operation of the Software.
5. Customer shall cooperate with Camunda to provide Camunda with sufficient time and the opportunity to carry out the necessary work.
6. Unless not commercially reasonable to do so, Customer shall implement suggestions from Camunda on elimination of Errors, including, but not limited to, installation of Minor Releases, Patch Releases or hotfixes pursuant to the Minimum Terms.
7. Customer is solely responsible for the appropriate daily backup of its data in accordance with the importance of the respective data. This also applies in particular for all data Customer manages with the Software.

Capitalized terms used but not defined in this Exhibit have the meaning ascribed to them in the Agreement.

1. Consulting Services

1.1 Standard Consulting Services are advisory services (for example, expert sessions and workshops) that support Customer’s use of the Software and, unless expressly stated in an Order Form, do not include specified deliverables, formal acceptance, or a fixed schedule.

1.2 Professional Services are project-based services (for example, implementation, configuration, customization, integration, migration, or other technical or functional work related to Camunda’s products or infrastructure) described in an Order Form and a Statement of Work (“SOW”), and aimed at defined outcomes or deliverables. Timelines for Professional Services are estimates only, and Camunda will determine the manner and means of performing such services, in accordance with the agreed scope.

During the Subscription Term, Customer may book and access free or paid Trainings via Camunda Academy as specified at <https://academy.camunda.com/>.

2. Delivery and Performance

2.2 Standard of performance. Camunda will perform Consulting Services in a professional and workmanlike manner using appropriately skilled personnel.

2.3 On-site work and substitutions. When on-site Consulting Services are purchased, the applicable days or hours, location, and related costs (including travel) will be specified in the Order Form. 2.4 Scope changes. Any change to the scope, timeline, or deliverables, as defined in the applicable SOW (the "Deliverables"), that increases Camunda's effort will be documented in a written Order Form executed by the Parties and may result in corresponding adjustments to the Fees and schedule. Until such Order Form is executed, Camunda will perform solely in accordance with the originally agreed scope.

2.5 Acceptance. If an Order Form provides for Customer review of Deliverables, each Deliverable will be deemed accepted upon the earliest of: (a) Customer's written acceptance; (b) seven (7) days after delivery, unless Customer provides written notice of a material non-conformance within that period; or (c) any different acceptance procedure expressly set forth in the applicable SOW. For any verified material non-conformance, Camunda will use commercially reasonable efforts to correct and resubmit the applicable Deliverable, in which case the relevant acceptance period will recommence. Upon acceptance, Deliverables will be deemed final and the related Professional Services fully performed.

3. Customer Responsibilities

3.1 Customer responsibilities. Customer will provide timely access to information, systems, environments, test data, and personnel as reasonably required, designate a primary contact authorized to make binding decisions, and use best efforts to ensure that all information it provides is reliable, accurate, and complete. Camunda may rely on such decisions and information. Any delays or additional effort resulting from Customer's failure to comply with the foregoing may result in adjustments to the project schedule and/or Fees.

3.2 Test/non-production environment (Professional Services). Customer will provide a suitable test or non-production environment so that the Deliverables and related work can be tested without impacting production operations. If such an environment is not provided, Camunda will have no liability for any disruptions, loss of service or revenue, or other loss or damage arising from or related to such omission.

4. Fees, Expenses, and Intellectual Property

4.1 Fees and expenses. Fees for Consulting Services are set out in the applicable Order Form or as otherwise agreed in writing and, except where expressly stated in this Exhibit or the Agreement, are non-refundable. Where on-site work is performed, Customer will reimburse Camunda for reasonable, pre-approved out-of-pocket expenses at actual cost without markup, supported by documentation. Consulting Services and Trainings must be used within the periods, timelines, or access windows stated in the applicable Order Form or Camunda Academy terms; any portion not utilized will expire without replacement, extension, or refund, unless otherwise expressly agreed in writing by the Parties.

4.2 Ownership of Professional/Consulting Deliverables. Except as expressly provided otherwise in an applicable Order Form, as between the Parties, Customer will own all right, title, and interest in and to the Deliverables. Such Deliverables will be created in the course of the Professional Services (including any modifications or derivative works thereof), excluding any Camunda Materials. "Camunda Materials" means Camunda's pre-existing or independently developed intellectual property, know-how, software, templates,

scripts, tools, and any enhancements or derivatives thereof. Camunda retains all right, title, and interest in and to the Camunda Materials. To the extent any Camunda Materials are incorporated into or delivered with any Deliverable, Camunda hereby grants to Customer a worldwide, non-exclusive, royalty-free license to use such Camunda Materials solely as embedded in the Deliverables for Customer's internal business purpose in connection with Customer's authorized use of the Software. For the avoidance of doubt, no ownership interest in the Camunda Materials is transferred to Customer under this Agreement, and nothing in this Section grants Customer any right to access or use the Software after expiration or termination of the Subscription Term, even if such access or use is technically enabled by a Deliverable.

5. Cancellation and Postponement

Thereafter, Camunda may charge, calculated on total Professional Services Fees or the agreed daily rate: (a) 10% if postponed fewer than fourteen (14) calendar days before; (b) 20% if postponed fewer than seven (7) calendar days before; and (c) 80% if postponed fewer than two (2) calendar days before.

5.3 Trainings. Camunda may cancel or reschedule any paid Training, including any on-site Training for which fewer than four (4) participants have registered, by providing Customer with at least seven (7) calendar days' prior notice for remote Trainings and at least twenty-one (21) calendar days' prior notice for on-site Trainings. In such cases, Camunda will refund any Training fees paid for the affected Training within thirty (30) days of cancellation. If a paid Training is cancelled due to an Event of Force Majeure, instructor illness, or other circumstances beyond Camunda's reasonable control, Camunda will use commercially reasonable efforts to offer Customer an alternative date for the affected Training. If the Parties do not agree on an alternative date, Customer may withdraw from the affected Training by providing written notice to Camunda, and Camunda will refund any Training fees paid for that Training within thirty (30) days of such withdrawal. Customer may cancel paid Trainings by emailing academy@camunda.com at least seven (7) calendar days before the scheduled start of a remote Training or at least thirty (30) calendar days before the scheduled start of an on-site Training. In such cases, no Training fees will be charged and any Training fees already paid will be refunded within thirty (30) days of cancellation. In all other cases, Camunda may charge the full Training fee; however, Customer may designate a substitute participant for the affected Training at no additional charge.

The Customer shall be responsible for its compliance with all Public Software licenses included in the Software.

If enabled, Customer hereby consents and grants Camunda a worldwide right to collect, host, copy, use, execute, transmit and display Telemetry Data, Customer applications and any Third Party products, as necessary to provide and improve Camunda Self-Managed Enterprise and the Services to Customer. Camunda will use the Telemetry Data subject to applicable law. Any Errors affecting the Monthly Uptime Percentage must be reported to Camunda as soon as reasonably practicable via the agreed-upon reporting method.

4.2 Camunda will use reasonable efforts to provide advance notice of any Maintenance Work, and will carry out any non-emergency Maintenance Work leading to an interruption of technical usability outside Business Hours. However, Camunda is entitled to carry out ad hoc Maintenance Work to avoid future unavailability, address high security risks or high risks for overall platform stability, and provide other critical Patches or hotfixes. Customer agrees that Camunda may access Customer's Clusters in order to carry out Maintenance Work.

5. Technical Requirements

7. Disclaimer of Warranties for Development Clusters

NOTWITHSTANDING ANY OTHER CLAUSE IN THE MINIMUM TERMS, DEVELOPMENT CLUSTERS ARE PROVIDED “AS-IS” WITHOUT ANY WARRANTY AND CAMUNDA SHALL HAVE NO INDEMNIFICATION OBLIGATIONS NOR LIABILITY OF ANY TYPE WITH RESPECT TO DEVELOPMENT CLUSTERS. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, CAMUNDA SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT WITH RESPECT TO DEVELOPMENT CLUSTERS. WITHOUT LIMITING THE FOREGOING, CAMUNDA DOES NOT REPRESENT OR WARRANT TO CUSTOMER THAT: (A) CUSTOMER’S USE OF DEVELOPMENT CLUSTERS WILL MEET CUSTOMER’S REQUIREMENTS, OR (B) CUSTOMER’S USE OF DEVELOPMENT CLUSTERS WILL BE UNINTERRUPTED, TIMELY, SECURE OR FREE FROM ERRORS.

8. Availability Targets and Availability Service Credits

Camunda will ensure Availability Targets for the Core Automation Cluster within a Stable Cluster as defined in the applicable Availability option below (Basic, Standard or Advanced Hosting Package). For Management Application Clusters, Camunda will ensure Availability Targets of 99.0% within a Stable Cluster. Availability Targets do not apply to Alpha Versions or Alpha Offerings of Camunda SaaS Enterprise or to components within Clusters using an unsupported Version of Camunda SaaS Enterprise (as specified in Section 2 of Schedule 1 of these Minimum Terms). If Camunda misses the Availability Targets for the Core Automation Cluster within a Stable Cluster in any calendar month, Camunda will provide the following Availability Service Credit, calculated as a percentage of the Total Monthly Fee:

Basic Hosting Package:

Availability Target 99%	Availability Service Credit
Less than 99% but equal to or greater than 98.5%	1.5%
Less than 98.5% but equal to or greater than 98.0%	3%
Less than 98.0%	4.5%

Standard Hosting Package:

Availability Target 99.5%	Availability Service Credit
Less than 99.5% but equal to or greater than 99.25%	3%

Less than 99.25% but equal to or greater than 99.0%	4.5%
Less than 99.0%	6%

Advanced Hosting Package:

Availability Target 99.9%	Availability Service Credit
Less than 99.9% but equal to or greater than 99.8%	4.5%
Less than 99.8% but equal to or greater than 99.7%	6%
Less than 99.7%	7.5%

To receive an Availability Service Credit, Customer must submit a claim by logging a support ticket. To be eligible, the credit request must be received by Camunda within five (5) calendar days after the last day of the month in which Camunda SaaS Enterprise has not met the Availability Targets within any Cluster.

Camunda will evaluate Customer requests and determine in good faith whether an Availability Service Credit is owed based on its system logs, monitoring reports, configuration records, and other available information. If Camunda confirms that the Monthly Uptime Percentage applicable to the month of such request did not meet the Availability Targets, then Camunda will apply the Availability Service Credit to Customer against the next invoice issued to the Reseller related to this Subscription. In case the Customer fails to provide the request and other information as required above, Camunda will not provide any Availability Service Credits. Availability Service Credits are not refundable in cash and can only be used as a credit against future invoices issued by Camunda to the Reseller. Availability Service Credits are exclusive of any applicable taxes charged to Reseller or collected by Camunda. Availability Service Credits are Customer's sole and exclusive remedy for any unavailability of Camunda SaaS Enterprise within Clusters. Availability Service Credits expire without refund twelve (12) months from issuance.
